SUMMARY

Motivated and detail-oriented Full Stack Web Developer currently pursuing a Bachelor of Science in Computer Science (BSCS). Demonstrates hands-on experience in building modern, responsive web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js), Next.js, and WordPress. Adept at transforming Figma designs into pixel-perfect user interfaces, developing RESTful APIs, and implementing custom database solutions. Actively seeking an internship opportunity to leverage software development skills and contribute to real-world projects.

EXPERIENCE

Self-Directed Projects

Remote

Frontend Developer

- Developed multiple responsive, component-based web applications utilizing **React.js** and **Next.js**.
- Applied **Tailwind CSS** to create clean, modern UI designs and integrated **REST APIs** for dynamic data rendering.
- Delivered pixel-perfect UI implementations from **Figma** designs with high attention to user experience (UX).

Freelance / Project-Based

Remote

WordPress Developer

- Built customized **WordPress** websites from scratch leveraging custom themes, **Elementor**, and **WooCommerce Integration**.
- Ensured mobile responsiveness, fast load times, and SEO-friendly architectural structure across all web projects.

Project-Based Learning

Remote

Backend & Database Developer

- Engineered **RESTful APIs** with **Node.js** and **Express.js**, implementing authentication, routing, and middleware components.
- Designed and managed **NoSQL databases** with **MongoDB**, executing structured data modeling and full CRUD operations.

EDUCATION

Virtual University

BS Computer Science (BSCS)

2025 – 2029 (Ongoing)

PROJECTS

Task Management App (MERN) | **React.js, Express.js, MongoDB, Node.js, JWT**

- Engineered a full-stack CRUD application featuring secure **JWT authentication**, a **React** frontend, and an **Express.js/MongoDB** backend.

Business Website (WordPress) | **WordPress, Elementor, WooCommerce**

- Developed a multi-page **WordPress** business site utilizing **Elementor**, **WooCommerce**, and custom plugin configurations.

TECHNICAL SKILLS

Frontend Development: React.js, Next.js, Tailwind CSS, Figma UI/UX Implementation, Responsive Web Design

Backend & Database: Node.js, Express.js, MongoDB, RESTful APIs, JWT Authentication, NoSQL Data Modeling, CRUD Operations

Content Management & E-Commerce: WordPress, Elementor, WooCommerce Integration, Custom Themes, Custom Plugin Configurations

Languages: English, Urdu
